*\$1,500 savings is calculated in replacement jobs where the Raider unit matches the footprint, eliminating the use of an adaptor curb and moving electrical and plumbing connections.

**Supply and return match Raider, however, curb may be wider and may require an adapter curb. Please confirm existing curb dimensions.

It is the responsibility of the installing contractor to confirm the fit to the existing unit curb.

Note: Due to Lennox Commercial's ongoing commitment to quality, all specifications, ratings and dimensions for Lennox Commercial products are subject to change.
